WHY TITAN™ POWRLINER™?

Professional contractors, property managers and maintenance personnel aren’t interested in complicated machines: they want to get the job done quickly and done right. Serious contractors, maintenance managers and athletic organizations rely on Titan because Titan offers them a full range of versatile, dependable line striper models for every application — from municipal parking lots and athletic fields to airport runways and football stadiums.

Titan PowrLiners are built for dependable, precision performance — delivering crisp, clean lines that no conventional air-spray or aerosol system can accomplish. Our gear driven and hydraulic sprayers have an output range from .33 to 2.50 GPM and are capable of striping 106 to 800 linear feet/minute — up to 60% greater than competitive line striper models.

ADVANCED PERFORMANCE

• Our strippers are built for hard work and long life
• The latest engineering technology ensures ease of use and dependability
• Our strippers meet and exceed the expectations of contractors who want to do the job right the FIRST time.

TOTAL RELIABILITY

• Proven technology - you finish every job quickly and profitably
• Superior design and construction maximizes the service life of your line stripers
• Complete diversity of equipment — we have a stripper for every application
• Half a century of getting the job done right – Titan is the name you trust

UNSURPASSED SERVICE

• Dependable, reliable network of authorized sales and service distributors
• The best customer service in the industry to help you select and maintain your line stripper
• Professional application and service representatives ready to assist you with recommendations and technical support

THE BEST AND LONGEST WARRANTY IN THE INDUSTRY

When you purchase a PowrLiner you purchase performance. We stand behind that assurance and are so confident in the quality of our strippers that we offer the best and longest warranties in the industry, including:

• 4-Year Manufacturer’s Defects - All models except PL550/850 (2-Year warranty)
• 5-Year Subaru Gas Engine Warranty
• Lifetime Drive Train Warranty
• 35-Day Satisfaction Guarantee
• Express Parts Program
• WearGuard™ Convenience Program
Titan offers clutch-driven PowrLiners™ that are perfect for entry level and medium sized striping projects.

**Titan Clutch-Driven Piston Line Stripers**

**Durable Fluid Section**
- Exclusive fluid section design requires no cylinder; fewer wear parts reduces maintenance cost
- Stainless steel rotating ball valves keep debris from sticking to minimize downtime and maximize performance
- Access and clean the ball valves without damaging packings or removing fluid section
- Patented, one-piece modular pump housing design makes routine service quick and easy – lasts up to 30% longer than competitive line strippers
- One-piece, self-adjusting static packings with wiper lip last up to 50% longer; lifetime cylinder warranty means you spray more and worry less.
- Reversible inlet and outlet seats last twice as long as standard seats

**Reliable Subaru Gas Engine (PL1800 and 2850)**
- Proven engine technology — get advanced performance and reliability with overhead cam engines that have the most powerful HP to GPM ratio which increases fuel efficiency
- Quiet operation — 33% fewer moving parts makes this one of the quietest engines operating today
- Easy starting — 30% to 40% less pulling force than other engine brands
- 5 year engine warranty

These high performance line strippers are designed for economical operation and precise line spraying. Ideal for maintenance personnel and entry level through full service contractors.
POWRLINER™ 850

The PowrLiner 850 is designed for entry level contractors, sports turf managers and maintenance personnel who need a basic line striper capable of high-spraying pressures for smaller jobs on pavement, grass or turf.

- Simple, compact design weighs only 84 lbs. — easy to use, easy to transport and easy to store. Only requires one operator to transport and fits easily in most automobile trunks.
- Lightweight design makes basic stenciling easy and fast
- Perfect for any organization or municipal budget
- Adjustable pressure from 100–3000 psi
- Removable gun for full stencilling capability
- 2 year warranty against manufacturer defects

RECOMMENDED FOR LIGHT, PERIODIC-DUTY ON SMALL PARKING LOTS AND ATHLETIC FIELDS.

POWRLINER 850

Max. Delivery 0.33 GPM
Max. Operating Pressure 3000 PSI
Max. Tip Size (1 Gun) 0.021”
Engine, Gas 37.7 cc
Part Number 0290005

FOR LATEX PRODUCTS ONLY
POWRLINER™ 1800M

The PowrLiner 1800M is the perfect, step-up line striper for contractors who need a compact, user friendly line striper for smaller jobs on pavement, fields or turf.

- Higher output and longer sustained use in a design that weighs only 250 lbs — easy to use, transport and store
- Versatile gun bracket can be positioned to spray on left, right, front or rear of striper
- Ideal for steady, light-duty use on both athletic fields and pavement; easy maneuverability makes tight turns and stenciling easy and fast.
- The ideal line striper for contractors and maintenance departments looking for simplicity, dependability and affordability for small scale projects

POWRLINER 1850

RECOMMENDED FOR LIGHT, INTERMITTENT-DUTY ON SMALL PARKING LOTS AND ATHLETIC FIELDS.

Max. Delivery .50 GPM
Max. Operating Pressure 3000 PSI
Max. Tip Size (1 Gun) 0.023"
Engine, Gas 126 cc
Part Number 759-191
POWRLINER™ 2850

The PowrLiner 2850 is designed to withstand the rigors of steady, everyday use on pavement, fields and turf. It's the perfect intermediate line striping tool that can handle all one-gun projects too big for the smaller line strippers.

- Fluid section has slower-stroking piston, slower cycle rate and larger displacement for longer performance life
- Higher output and longer sustained use in a design that weighs only 250 lbs — easy to use, transport and store
- Versatile gun bracket can be positioned to spray on left, right, front or rear of stripper
- Ideal for medium-size projects on athletic fields and pavement; easy maneuverability makes tight turns and stenciling easy and fast.
- Perfect for contractors who need a maneuverable, medium-duty line striping tool for projects where the big machines just aren’t profitable to operate.
- Optional 2 gun kit available

Adjustable, telescoping handles for comfort
1/4" x 50' anti-static spray hose
Carries 5-Gallon Paint Pail (Pail not included)
Adjustable Gun Mount
Gun mountable on left or right side of unit and adjustable to front or rear

LX-80II SPRAY GUN

Removable LX-80II Spray Gun with in-handle filter and SC-6™ Reversible Stripping Tip

POWRLINER 2850

RECOMMENDED FOR ONE OR TWO GUN PROJECTS ON ALL PARKING LOTS AND ATHLETIC FIELDS

Max. Delivery: .92 GPM
Max. Operating Pressure: 3300 PSI
Max. Tip Size (1 Gun): 0.032"
(2 Gun): 0.019"
Engine, Gas: 126 cc
Part Number (1 Gun): 0290008
Part Number (2 Gun): 0290009

Carries 5-Gallon Paint Pail (Pail not included)
HYDRAULIC LINE STRIPERS

Titan offers two-gun PowLiners™ that incorporate hydraulic pump technology for heavy-duty, long-term use on medium, large and giant scale striping projects.

Speeflo® HydraDrive™

- Reliable, smooth, slow-stroking hydraulic drive greatly extends the operational life of the sprayer.
- External-hydraulic fluid porting with new, upgraded fittings allow for quick troubleshooting and easy maintenance.
- SAE O-Ring fitting and precision rod alignment ensure maximum pump life.

Severe Service 900™ Pump

- Cylinder and piston rod are tempered with a proprietary heat-treating process that increases pump life 150% longer than competitive pumps.
- Self-adjusting packings resist over-tightening and help prevent premature wear.
- Foot valve removes easily for faster cleaning and easy maintenance.
- Reversible inlet and outlet seats have twice the lifespan of ordinary outlet seats. Extra large ball valves ensure efficient pump operation and longer unit life.
- Heavy-duty prime/spray valve ensures consistent, increased flow and faster pump priming.

These high-performance, heavy-duty paint sprayers use long-stroke, slow-cycling hydraulic piston technology for economical operation and dependable, long-term line spraying. The sprayers of choice for serious contractors with large-scale contractors.

ELECTRIC CONVERTIBILITY

Easy, tool-free convertibility from gas-power to electric power for projects where gas engines are not permitted. PowLiner 4950 only or all XLT units.
POWRLINER™ 4950

Designed and built for contractors who are serious about completing medium to large scale striping projects quickly and profitably, PowrLiner 4950 is the first step in hydraulic stripers where power and long-term, heavy duty operation are the difference between a business that makes money and one that does not.

- Dependable 169 cc OHC Subaru® gas engine
- Fast, easy, tool-free convertibility to 2 hp Extended-Life DC electrical motor (optional).
- Versatile gun bracket can be positioned to spray on left, right, front or rear of striper
- Precise pressure control from 400 psi to 3300 psi, for spraying light-bodied coatings all the way up to low-VOC striping paints.
- Heavy-duty, epoxy-finished frame resists harsh solvents and corrosion.

### Engine Controls
In easy reach of the operator.

### 12-Gallon Paint Hopper
Subaru® 169 cc OHC Engine
With low-oil alert

### Large Hose Storage Rack
Holds 300’ of hose

### 1/4” x 50’ anti-static hose

### Pneumatic tires
For shock absorption

### Adjustable Gun Mount
Gun mountable on left or right side of unit and adjustable to front or rear

### Second Gun Kit
Complete with 5-3 gun hose and tip kit for wider or dual lines

### WideTrak™ Front Wheel
Locks-in for precise straight or free wheel for radius lines

### PowrLiner 4950
Max. Delivery, Gas 1.50 GPM
Max. Delivery, Electric 1.10 GPM
Max. Tip Size (1 Gun) 0.037”
(2 Guns) 0.028”
Max. Operating Pressure 3300 PSI
Engine, Gas 169 cc
Part Number 0290019
2.0 HP Electric Conerto Kit 506-719

RECOMMENDED FOR FULL-TIME DUTY ON PARKING LOTS AND ATHLETIC FIELDS

### Electric Convertibility
Easy, tool-free convertibility from gas-power to electric power for projects where gas engines are not permitted. PowrLiner 4950 only or all XLT units.
Larger projects require more power and output. PowrLiner 6950 and 8950 line stripers are the workhorse machines of the industry, designed for ease of use and simple operation on major projects that require maximum performance with minimum downtime and maintenance.

- Powered by a dependable electric start Subaru® 211 cc engine with Low-Oil Alert
- Versatile gun bracket can be positioned to spray on left, right, front or rear of striping
- Precise pressure control from 400 psi to 3300 psi, for spraying light-bodied coatings all the way up to low-VOC striping paints
- Heavy-duty, epoxy-finished frame resists harsh solvents and corrosion

LAZY LINER™ SERIES

RECOMMENDED FOR VERY LARGE-SCALE PROJECTS SUCH AS AIRPORTS, ROADS, PARKING LOTS AND ATHLETIC FIELDS.

LAZYLINER™ PRO 0290040
- 169cc Subaru OHV/OHC (Pull Start)
- Standard pneumatic tires - 16" x 4.5"
- 0-12 mph forward - 0-7 mph reverse
- Multi-position seat
  - (forward/back, side to side)
- Height adjustable foot pedals
- Hitch not included

LAZYLINER™ ELITE 0290041
- Electric start 211cc Subaru® OHV/OHC
  - 200 watt lamp coil charging system capable
- HD pneumatic tires - 16" x 6.5"
- 0-12 mph forward - 0-7 mph reverse
- Engine protection bumper bar
- Multi-position seat
  - (forward/back, side to side)
- Height adjustable foot pedals
- Hitch not included

LAZYLINER™ COMPACT 0290042
- Industry’s only one wheel ride on system
- Compact, portable, and easy to transport
- 126cc Subaru OHV/OHC (Pull Start)
- 0-12 mph forward - 0-7 mph reverse
- Height adjustable foot pedal
- Only 121 lbs / Only 7.5’ long w/striper attached
- Hitch not included
- Available Summer 2014

NEW PRODUCT
ACCESSORIES

**TURF KIT**
Allows lever control for locking for free wheel
Part No. 0293970

**SURETRAK™ FLOATING GUN KIT**
- Keeps the gun at the proper height from the surface for perfect lines over rough terrain.
- Works great on pavement, grass, and turf.
- Attaches to 4950 or larger.
Part No. 759-120

**PISTON LUBE**
- Specially formulated to prevent materials from adhering to the piston rod
- Suitable for use with most airless piston pumps
4 oz. bottle Part No. 314-481
8 oz. bottle Part No. 314-480
1 Qt. bottle Part No. 706-926

**SECOND GUN KIT FOR DUAL LINES**
Complete with gun for wide or dual lines, Mounts on either side of striker
Part No. 759-138 (S-3) 759-038 (S-5)
PowrLiner 2850 second gun kit
Part No. 0290310

**12-GALLON HOPPER**
Holds up to 12 gallons of paint
Part No. 759-130

**STENCIL KITS**
Molded of 1/8” (.15 cm) polyethylene, these stencils are very durable and lay flat on surfaces being stenciled for clean and accurate marking.
Part No. 0290934 contains:
- 39” (99 cm) Handicap
- 4” (10 cm) Visitors
- 12” (30 cm) Numbers 0-9
- 2” (5 cm) Straight and curved arrows
Part No. 0290932 contains:
- 42” (105 cm) Straight and curved arrows
- 12” (30 cm) No Parking

**LIQUID SHIELD PLUS**
- Cleans & protects your spray system against rust & corrosion
- Extends the life of your pump
- Now with anti-freeze protection
4 oz. bottle Part No. 314-483
1 Qt. bottle Part No. 314-482
1 Gal. Part No. 0521418

**S-3 GUN**
- All-metal construction
- High-pressure swivel
- Stainless steel fluid passages
- Tungsten carbide ball valve ensures long life
- Easy 4-finger trigger
- TR™ reversible tip
- Pressure rated at 3600 PSI (25 MPa)
Part No. 0550030

**GLASS BEAD DISPENSING SYSTEMS**
Dispense glass beads accurately

**SECOND GUN KIT FOR DUAL LINES**
Complete with gun for wide or dual lines, Mounts on either side of striker
Part No. 759-138 (S-3) 759-038 (S-5)
PowrLiner 2850 second gun kit
Part No. 0290310
The easy-to-use Side Striper is designed specifically for those smaller line striping jobs and touching up existing strips:

- Stripes in tight spaces, including between parked cars
- Works with any airless sprayer
- Compact, lightweight and portable
- Simple striping instructions
- Works with any airless sprayer

**Kit includes:**

- Gun holder and pole (1)
- SC-6 striping tip (1)
- Striping instruction (1)
- P/N 759-150

### SC-6™ REVERSIBLE LINE STRIPING TIPS

Designed specifically for line striping applications such as parking lot lines, road lines, athletic field markings, etc. SC-6 striping tips create sharp edges for cleaner, more distinct lines that last longer. Designed to last longer than standard airless tips, SC-6 striping tips are precision machined from high quality tungsten carbide and are compatible with all striping coatings.

**4 YEAR MANUFACTURER’S DEFECT**
We pledge that our sprayers are free from defects in materials and workmanship. This excludes normal wear items and consumables such as filters, piston, packings, tips, etc.

**LIFETIME DURALIFE BRUSHLESS HE AND PMDC BRUSHLESS MOTOR WARRANTY**
If the motor fails for any reason (including wear) for as long as you own the sprayer, we will replace the motor at no cost to you.

**LIMITED LIFETIME DCX MOTOR WARRANTY**
If the motor fails from normal usage for as long as you own the sprayer, we will replace the motor at no cost to you.

**GAS ENGINE WARRANTY**
5 year Subaru®, 3 year Honda® and 2 years all others.

**2 YEAR TURBINE WARRANTY**

**LIFETIME DRIVE TRAIN WARRANTY**
If the drive train fails from normal usage for as long as you own the sprayer, we will replace the drive train at no cost to you.

**35-DAY SATISFACTION GUARANTEE**
If for any reason the sprayer does not perform up to your expectations within 35 days, the sprayer can be exchanged for the identical model or full credit towards the purchase of a Titan sprayer of larger size and value.

**EXPRESS PARTS PROGRAM**
- Over 900 Authorized Service Centers nationwide
- The most common repair parts are guaranteed to be in stock 100% of the time
- If for any reason your preferred Authorized Service Center is out of stock, free 2nd day air is available when ordered by 3:00 pm (EST)

For more information about the industry’s leading warranty, please call the Titan® Technical Service Department at 1-800-526-5362.
