We provide an experienced technical service department to assist with service issues along with an express parts program to ensure your Titan equipment is always available for your customers.

## THE RENTAL INDUSTRY'S BEST AND LONGEST WARRANTY

Our sprayers are built to last. We are so confident that our sprayers will hold up to the most difficult jobs that we offer the best and longest warranty in the industry.

## LIMITED LIFETIME MOTOR WARRANTY

If the motor fails for any reason (including wear) for as long as you own the sprayer, we will replace the motor at no cost to you.

## 2-YEAR MANUFACTURER'S DEFECTS

We pledge that our sprayers are free from defects in materials and workmanship. This excludes normal wear items and consumables such as filters, piston, packings, tips, etc.

## EXPRESS PARTS PROGRAM

- The most common repair parts are guaranteed to be in stock 100% of the time.
- If for any reason you or your preferred Authorized Service Center is out of stock, free 2nd day air is available when ordered by 3:00 pm (EST)

For more information about the industry's leading warranty, please call Titan's Technical Service Department at 1-800-526-5362.

# Impact X™ 410, X 440, & X 540i

## DESIGNED FOR RENTAL

The new Impact X 410, 440, and 540i are the next generation of sprayer from Titan taking all the key features that made the previous models legends and making them X-potentially better. Get next level performance and productivity with the powerful DuraLife™ HE Brushless Motor combined with the Logix™ Adaptive Pressure Control System, and the new MaxFX™ Fluid Section that maximizes durability and uptime. The Impact X 410, 440, and 540i will take expectations and multiply them by the Power of X.

■ Impact X 410 Skid

■ Impact X 440 High Rider

■ Impact 540i Low Rider

■ The Impact X 410 and X 440, come with RX-80 Gun, 517 HEA Reversible Tip and 1/4" x 50' Airless Hose.

■ The Impact X 540i comes with RX-Pro Gun, 517 HEA Reversible Tip and 1/4" x 50' Airless Hose.

### DuraLife™ HE Brushless Motor

- The DuraLife HE Brushless Motor makes the X Series sprayers the most powerful Impacts ever
- Durable, reliable, and long-lasting, it runs cooler for years of maintenance-free operation
- Backed by our WearGuard® Lifetime Motor Warranty

### Logix™ Adaptive Pressure Control System

- Enhances performance through all-new tip-sensing technology that adjusts power and pump speed delivering smooth and steady flow with consistent pressure
- Optimized to provide maximum power when using larger tips or big jobs and maximum control when using smaller tips or fine finish applications

### Smart Design - All New Features

- Vertical Filter Housing completely drains coatings and cleans up to 3X faster with as little as 1/3 the water (Impact X 440 & 540i models)
- 360° adjustable ergonomic handle provides maximum comfort, grip, and portability
- Eliminate splashback with the improved lever action Prime/Spray Valve that ensures gradual and even pressure release
- Compact design is lighter than competitive models for increased portability and reduced storage footprint

### MaxFX™ Fluid Section

- Quick-change fluid section (X 410 & X 440) replaceable within minutes on jobsites or in the shop
- No-Tools fluid section (540i) makes replacing even simpler

# CONNECT. CONTROL. MANAGE.

ENHANCE THE SPRAYING EXPERIENCE WITH THE MYTITAN™ APP

## INCOMMAND

### Real-Time Dashboard

Monitor and adjust pressure, run time, paint usage, and tip life.

## TIP AWARE

### Tip Wear Indicator

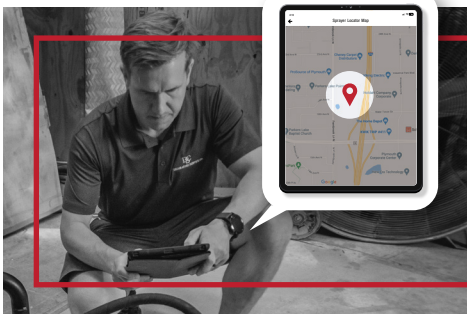

Track your spray tip status in real time, with the industry's first and only tip wear indicator.

## PROSTART

### Start-Up Assistant

Get ideal pressure settings, tip size, and filter recommendations customized for every situation.

## ULTIMATE THEFT PROTECTION

### IA Models

Features the industry's only real-time GPS tracking platform. Track equipment from anywhere at any time without the need for Wi-Fi or a phone connection.

\* ActivGuard tracking requires MyTitan account and yearly subscription fee

The Bluetooth<sup>®</sup> word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Titan is under license. Other trademarks and trade names are those of their respective owners.

## ULTIMATE PERFORMANCE

### Quad+ Packings™ and PermaLife™ Cylinder

- Self-adjusting and self-compensating packings extend life and deliver the best performance every time
- PermaLife Cylinder never wears or needs replacing
- Field serviceable fluid section can be replaced in minutes from any job site
- T-slot piston and release mechanism makes removal fast and easy

## TECHNOLOGY THAT MAKES AN IMPACT

### DuraLife™ HE Brushless Motor

- High-efficiency brushless motor maintains a higher working pressure, delivering smooth steady flow with no maintenance
- Backed by WearGuard™ Lifetime Motor Warranty

### Logix™ Adaptive Pressure Control System

- Tip sensing technology minimizes pressure while maximizing efficiency
- Quieter, steadier spraying with advanced diagnostics

## JOB SITE LIFE MADE EASY

### EZTilt Cart

- Makes bucket changes and cleaning easier
- Available on 840iA

## BUILT-IN INNOVATION

### DigiTrac™ Technology

- Advanced diagnostics display to help you spray smarter. Always spray the right way with settable working pressure readings and resettable gallon and run-time counters
- Available on 640i & 840i

### AutoOiler™ Technology

- Deliver oil from the reservoir to the packings with the push of a button
- Keep the piston protected at all times for extended life
- Leave the constant need for a bottle of piston oil out of the equation

■ The Impact 640i, 640iA, 840i, and 840iA come with RX-Pro Gun, 517 HEA Reversible Tip, and 1/4" x 50' Airless Hose.

## Features:

### PermaStroke Technology™

- No piston or packings, cylinder or clutch to wear or burn out
- Delivers top performance at pressures from 300 to 3300 psi when using small or large tips

### Field Serviceable

The cartridge style inlet and outlet valves change out in minutes

### Sureflo™ Pusher Valve

Unstick the lower ball valve with the push of a button. No need for a hammer.

### Multi-position Cart

Allows for a low rider siphon or high rider direct immersion set-up

### Telescoping Handle

For easy transport

### Large Semi-pneumatic Tires

For increased portability and travel on rugged job sites

## Elite® 3000

### RECOMMENDED FOR SMALL & MEDIUM RESIDENTIAL AND COMMERCIAL PROJECTS

Perfect for everyday use on residential, property maintenance and small commercial applications applying most architectural coatings like stains, lacquers, sealers, enamels, primers, and latex house paints with ease.

The Elite 3000 comes with RX-Pro Gun, 517 Reversible Tip and 1/4" x 50' Airless Hose.

# Capspray™ Series

## DESIGNED FOR FINE FINISHING PROJECTS

High-end woodworking, cabinetry and furniture finishing projects require the high transfer efficiency that only Titan Capspray can deliver. These lightweight, portable HVLP sprayers will apply all fine finishes with speed and precision – maximizing both productivity and profit.

### Capspray 95

The Capspray 95 is a powerful and versatile turbine unit, spraying a wide range of coatings. Sprays stain to finish quality latex. Rugged, portable and dependable as you would expect.

### Capspray 105

With the Capspray 105 you can spray hard to atomize coatings with little to no thinning and increased production rates. The Capspray 105 will spray a wide range of coatings, including latex and other water based coatings.

### Capspray 115

This revolutionary, 6-stage portable turbine spraying system is the only turbine ever to achieve full HVLP capability. It combines quiet operation and high air cap pressure for the finest atomization possible. Capspray 115 will apply nearly all fine finish coatings with little to no reduction.

## Features:

### Powerful Atomization

Atomizes coatings with little or no thinning.

### High Transfer Efficiency

Ranges up to 90%.

### Dual Air Filtration

An automotive type air filter on the atomizing air side

### Pre-Filter

On both atomizing air and cooling air sides.

### Built-In Toolbox

For needles, nozzles, air caps and nozzle wrench.

### Built-In Cup Holder

For added storage a portability.

### Dirty Filter Warning Light

Extend the life of your turbine and maintain maximum performance with clean filters.

### Sound Reduction Technology

Lowers the decibel level on the job site

▲ The Capspray 105 & 115 come with a 30' air hose, 5' whip hose, #4 & #5 (Capspray 115 only) Pro Sets and Maxum Elite Gun

## Features:

### Accurate Pressure Control

- ▀ Ranges from 400 to 3300 psi
- ▀ Spray low viscosity primers to heavy-bodied finish paints

### Vented Hydraulic Fill and Dip Stick

Easy access for less mess

### Easy-Remove Filter

Only 3 turns to remove

### Wrap Around Frame

For extra strength and stability

### High Efficiency Cooling Fan

Keeps the hydraulics cooler for longer life

### Heavy-Duty Frame

Durable cart with telescoping handle and convenient lift handles

### Honda GX160 Engine

Dependable, gas-powered engine with low-oil alert

### Convenient Pail Hook

### Convertible

Easy, tool-free convertibility for projects where gas engines are not permitted.

2.0 hp Electric Converto Kit (506-719) sold separately.

▀ The PowrTwin 4900 and 6900 Plus come complete with RX-Pro Gun, 517 Reversible Tip and 1/4" x 50' Airless Hose.

## PowrTwin™ 4900/6900 Plus

### RECOMMENDED FOR LARGE JOBS WHERE A FLEXIBLE POWER SOURCE IS NECESSARY

Designed and built for contractors who are serious about completing large scale painting projects quickly and profitably. The PowrTwin 4900 and 6900 Plus are ideal for professionals who want the slow-stroking power and long-term durability only Titan hydraulic piston sprayers offer.

## PowrLiner™ 3500/3500S

**RECOMMENDED FOR MEDIUM AND LARGE-SIZED PROJECTS  
ON ALL PARKING LOTS AND ATHLETIC FIELDS**

The Titan PowrLiner 3500 and 3500S sealed hydraulic line strippers deliver sharp and consistent line quality on a variety of surfaces including concrete, parking lots, and athletic fields. Featuring the revolutionary PermaStroke Technology which has no pistons, packings, cylinders or clutch to replace and backed by the WearGuard Elite Lifetime Fluid Pump Warranty, they are simple to operate and field serviceable, keeping contractors on the job.

**PowrLiner 3500:**  
Includes RX-80 gun, 419 line striping tip, and SC-6+ 517 tip.

**PowrLiner 3500S:**  
Includes RX-80 gun with 419 line striping tip plus dedicated RX-80 gun with 18" extension and SC-6+ 517 tip for stenciling.

**Dedicated Stencil Gun**  
Dedicated second gun makes stenciling quick and easy

### Features:

**Sureflo Pusher Valve**

Makes system priming easy

**FlatLine Pulsation Dampener**

Eliminates pressure fluctuations to avoid hour glassing

**No-Spill Pump Filter**

Vertical design retains coating during removal

**Large 16" Pneumatic Tires**

Increases portability and makes traveling over rough surfaces easier

**Swing Back Design**

Increases operator leverage and reduces fatigue

**Heavy Duty Frame**

Resists harsh chemicals and corrosion

## PowrLiner 3500 72V

**BATTERY-POWERED, SEALED HYDRAULIC LINE STRIPER**

The Titan PowrLiner 3500 72V delivers even better lines than our gas-powered strippers thanks to the new Honda® battery technology that greatly reduces vibration. Featuring the revolutionary PermaStroke Technology™, which has no piston, packings, cylinders, or clutch to replace and backed by the WearGuard® Elite Lifetime Fluid Pump Warranty, it is simple to operate and field serviceable, keeping contractors on the job.

Includes RX-80 gun, 419 line striping tip, and SC-6+ 517 tip.

### Features:

Powered by **HONDA**

**LITHIUM-ION BATTERY**

Removable and quickly rechargeable

**PermaStroke Technology**

One piece inlet and outlet valve

**FlatLine Pulsation Dampener**

Eliminates pressure fluctuations to avoid hour glassing
