SPRAYING **REDEFINED**

THE BEST AND LONGEST WARRANTY IN THE INDUSTRY

Four-year Manufacturer's Defect

We pledge that our sprayers are free from defects in materials and workmanship. This excludes normal wear items and consumables such as filters, piston, packings, spray tips, spray guns, hoses, etc.

Lifetime DuraLife™ HE and PMDC Motor Warranty

If the motor fails for any reason (including wear) for as long as you own the sprayer, we will replace the motor at no cost to you.

Limited Lifetime DCX Motor Warranty

If the motor fails from normal usage for as long as you own the sprayer, we will replace the motor at no cost to you.

Gas Engine Warranty

3-year Honda® and 2-years all others.

Two-year Turbine Warranty

Lifetime Drive Train Warranty

If the drive train fails from normal usage for as long as you own the sprayer, we will replace the drive train at no cost to you.

Lifetime Warranty on PermaStroke Technology™ Fluid Pump

Get a lifetime warranty on the PermaStroke Technology fluid pump. If the fluid pump fails for any reason (including wear) for as long as you own the sprayer, we will replace the fluid pump at no cost to you.

AMPSHare by Bosch® Warranty

Three-year limited warranty on batteries and five-year limited warranty on battery chargers.

35-day Satisfaction Guarantee

If for any reason the sprayer does not perform up to your expectations within 35 days, the sprayer can be exchanged for the identical model or full credit toward the purchase of a Titan sprayer of larger size and value.

Express Parts Program

- ▶ More than 550 Authorized Service Centers nationwide
- ▶ The most common repair parts are guaranteed to be in stock 100% of the time
- ▶ If for any reason your preferred Authorized Service Center is out of stock, free 2nd day air is available when ordered by 3:00 pm (EST)

TITAN®

ELECTRIC AIRLESS

04 **IMPACT X™ SERIES**

Multiply your productivity exponentially with the all-new Impact X Series from Titan. It's the sprayers you, love re-engineered to spray faster, smarter, and better on every job, every time.

08 **IMPACT® INTELLISYNC®**

These fully featured sprayers offer the ultimate in functionality and convenience for the longest days and biggest projects. Available with IntelliSync Technology powered by Bluetooth to connect to the MyTitan app for ultimate control.

11 **IMPACT® SERIES**

Durable electric airless sprayers built with smart features that make an Impact.

16 **ELITE® SERIES**

Perfect for the contractor who is looking for a lightweight, portable sprayer for small-to medium-sized jobs.

18 **POWRTWIN™ SERIES**

For large-scale residential, commercial and industrial applications.

21 **TEXTURE SPRAYERS**

Great for both interior and exterior finishing projects. Lightweight and easy to transport yet powerful enough to spray most architectural coatings and texture finishes.

22 **FINE FINISH SPRAYERS**

Delivers beautiful finishes quickly and easily.

24 **BATTERY- POWERED**

Versatile small job sprayers powered by Bosch® AMPShare™ 4Ah batteries.

26 **SPRAYER SPECS**

Compare Titan's electric airless offering and make sure you get the perfect pump for you and your jobs.

OUR MISSION

When your business depends on the tools you use,
you need to be able to count on the people who make them.

Our relentless commitment to helping every professional painter
be their best leads to better work, improved ROI and growing business.

IMPACT X SERIES

YOU MADE IT A LEGEND, WE TOOK IT TO THE NEXT LEVEL

Multiply your productivity exponentially with the all-new Impact X Series from Titan. It's the Impact Sprayers you love re-engineered and re-imagined for the future. Spray faster, smarter, and better on every job, every time. Impact X, new legends in the making.

DuraLife™ HE Brushless Motor

Durable, reliable, and long-lasting it runs cooler for years of maintenance-free operation and makes the new Impact X Series sprayers the most powerful Titan Impact models ever.

Logix™ Adaptive Pressure Control System

Enhances performance through all-new tip-sensing technology that adjusts power and pump speed delivering smooth and steady flow with consistent pressure from 300 – 3000 psi.

MaxFX™ Fluid Section

Keep the workday going and maximize your uptime with the new quick-change fluid section that's replaceable in minutes on the jobsite with a hammer and wrench (X 410 & X 440) or just your hands (X 540i).

Sureflo™ Pusher Valve

Primes the first time, every time. Unstick the lower ball valve with a push of a button. No need for a hammer.

Available on Impact X 440 and X 540i models.

Quad+ Packings / Permalife™ Cylinder

Self-adjusting and self-compensating packings and no wearable cylinder deliver the longest life and lowest repair costs in the industry.

Vertical Filter Housing

Completely drains coatings and cleans up to 3X faster with as little as 1/3 the water.

IMPACT X[®] 410

0.47 GPM

Recommended for small and medium residential and commercial projects.

■ The Impact X 410 comes with RX-80 Gun, 517 HEA Reversible Tip and 1/4" x 50' Airless Hose.

Features:

DuraLife HE Brushless Motor

Durable, reliable and long-lasting – runs cooler for years of maintenance-free operation

Logix Adaptive Pressure Control System

Pump works only as hard as it needs to.

MaxFX Quick-Change Fluid Section

Replace in minutes on the jobsite.

Vertical Filter Housing

Completely drains coatings for full clean.

360° Adjustable Handle

Maximum comfort, grip and portability.

Lever-Action Prime/Spray Valve

Gradual and even pressure release eliminates splash-back.

Rapid Clean

Better, truer cleaning due to variable speeds. Nothing to connect and disconnect.

Impact X 410

When it comes to getting powerful performance at an affordable price, nothing comes close to the Impact X 410. Perfectly suited for residential, property maintenance and small commercial applications, the Impact X 410 applies all lacquers, stains, standard primers, paints and architectural coatings with ease.

IMPACT® INTELLISYNC SERIES

Introducing Titan's
connected sprayers

CONNECT. CONTROL. MANAGE.

POWERED BY:
INTELLISYNC
Bluetooth

These fully featured sprayers offer the ultimate in functionality and convenience for the longest days and biggest projects. Capable of supporting large tip sizes and multiple guns, you can rely on the power and performance of the Impact Connected Sprayers. Now available with IntelliSync Technology powered by Bluetooth to connect to the MyTitan app for ultimate control.

THE MYTITAN APP GIVES CONTRACTORS ULTIMATE CONTROL

INCOMMAND

Real-Time Dashboard

Monitor and adjust pressure, run time, paint usage, and tip life.

TIP AWARE

Tip Wear Indicator

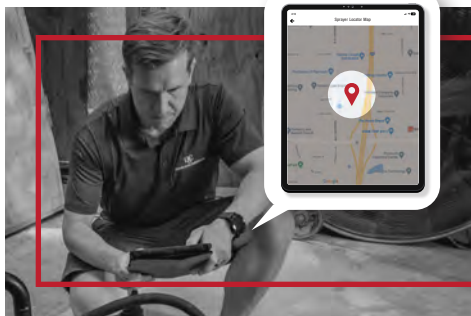

Track your spray tip status in real time, with the industry's first and only tip wear indicator.

PROSTART

Start-Up Assistant

Get ideal pressure settings, tip size, and filter recommendations customized for every situation.

ULTIMATE THEFT PROTECTION

All Impact IA Models

Feature the industry's only real-time GPS tracking platform. Track equipment from anywhere at any time without the need for Wi-Fi or a phone connection.

ULTIMATE PERFORMANCE

Quad+ Packings™ and PermaLife™ Cylinder

- Self-adjusting and self-compensating packings extend life and deliver the best performance every time
- PermaLife Cylinder never wears or needs replacing
- Field serviceable fluid section can be replaced in minutes from any and every job site
- T-slot piston and release mechanism makes removal fast and easy

TECHNOLOGY THAT MAKES AN IMPACT

DuraLife Brushless HE Motor

- High-efficiency brushless motor maintains a higher working pressure, delivering smooth steady flow with no maintenance
- Lifetime Warranty

Logix Adaptive Pressure Control System

- Tip sensing technology minimizes pressure while maximizing efficiency
- Quieter, steadier spraying with advanced diagnostics

JOB SITE LIFE MADE EASY

Fast Removal Fluid Section

(Available on 840I & IA)

- T-slot piston and coarse thread make removal quick

EasyOut™ Fluid Section

(Available on 1140I & IA)

- Easy to replace on the jobsite, no tools required

EZTilt Cart

- Makes bucket changes and cleaning easier
- Available on 840IA, 1140I, and 1140IA models only

BUILT-IN INNOVATION

DigiTrac™ Technology

- Advanced diagnostics display to help you spray smarter. Always spray the right way with settable working pressure readings and resettable gallon and run-time counters
- Available on 640I, 840I, and 1140I models only

AutoOiler™ Technology

- Deliver oil from the reservoir to the packings with the push of a button
- Keep the piston protected at all times for extended life
- Leave the constant need for a bottle of piston oil out of the equation

IMPACT 640i / IA

0.70 GPM

Recommended for small and medium residential and commercial projects.

Features:

IMPACT[®] SERIES

These high-performance and heavy-duty electric airless paint sprayers are designed for sustained operation on a wide variety of projects, from a single room in a house to a warehouse or manufacturing facility. The Impact Series electric airless sprayers are durable with jobsite features that keep contractors spraying.

Quad+ Packings / Permalife™ Cylinder

Self-adjusting and self-compensating packings and no wearable cylinder deliver the longest life and lowest repair costs in the industry.

Field Serviceable with Fast Removal Fluid Section

Whether you are replacing the entire fluid section or the packings only, it's fast and easy with the T-slot piston and modular design.

IMPACT 740

0.80 GPM

Recommended for medium and some large residential, commercial and industrial projects.

Features:

Electronic Pressure Control

Consistent pressure. Zero deadband.

Quad+ Packings

AutoOiler

Fast Removable Fluid Section

T-slot piston and coarse thread make removal fast.

PermaLife Cylinder

Will never wear out

DuraLife Brushless HE Motor

Optimized for every tip size and every painter's technique.

Telescoping Handle

Easy-load Cart

Clean back loads in and out of vehicles easily. *(Available on high rider model only)*

Hose Wrap

Holds up to 150-feet of airless hose.

The Impact 740 comes with RX-Pro Gun, 517 HEA Reversible Tip and 1/4" x 50' Airless Hose.

Impact 740

The Impact 740 is designed for extended, heavy-duty performance on larger residential and commercial projects. This is the sprayer contractors turn to when the time comes to enter the big leagues.

ELITE[®] SERIES

The Elite Series airless sprayers are powered by PermaStroke Technology[®] that is both versatile to spray most coatings and extremely durable with a lifetime fluid pump warranty.

PERMASTROKE TECHNOLOGY[™]

- ▶ Sealed Hydraulic Technology that delivers top performance between 300 and 3000 psi
- ▶ No piston, packings, cylinder or clutch to wear or burn out
- ▶ Eliminates deadband to deliver a consistent fan pattern
- ▶ Field serviceable with only two cartridge-style wear parts that can be changed in only five minutes.
- ▶ Features the Sureflo pusher valve that makes priming easy

Sureflo[™] Pusher Valve

Primes the first time, every time. Unstick the lower ball valve with a push of a button. No need for a hammer.

WEARGUARD[®] ELITE LIFETIME WARRANTY

Lifetime warranty on the fluid pump

ELITE 2000

POWRTWIN™ SERIES

Since their introduction almost half a century ago, Titan PowrTwin hydraulic piston sprayers have a well-earned reputation for durability and dependability among serious contractors for large scale residential, commercial and industrial applications and multi-gun usage.

THE SPRAYERS OF CHOICE FOR SERIOUS CONTRACTORS WITH LARGE-SCALE JOBS.

These high-performance, heavy-duty paint sprayers use long-stroke, slow-cycling hydraulic piston technology for economical operation and dependable, long-term spraying.

Convert from Electric to Gas Power

Easily convert from Electric to Gas power. No tools required.

Belt Guard

Easy access for converting from electric to gas power.

Speeflo® HydraDrive™

Smooth, slow-stroking hydraulic drive provides extreme power and reliability.

Severe Service™ 900 Pump

Cylinder and piston rod are tempered with a proprietary heat-treating process that increases pump life 150% over competitive pumps. Self-adjusting packings resist over-tightening and help prevent premature wear.

POWRTWIN 6900 / 8900 PLUS

1.25 GPM

Recommended for heavy coatings.

Features:

Slow and Long Stroking Hydraulic Piston

Maximizes fluid section life.

Accurate Pressure Control

From 400 to 3300 psi (27 to 248 bar)

Easy Convertability

Convert to gas or electric power without any tools.

Speeflo® HydraDrive™

Severe Service™ 900 Pump

Easy-remove Filter

Only 3 turns to remove.

Easy-access Belt Guard

For converting from gas to electric.

Convenient Pail Hook

The PowrTwin 6900 Plus and 8900 Plus come with RX-Pro Gun, 517 HEA Reversible Tip and 1/4" x 50' Airless Hose.

PowrTwin
6900 Plus

PowrTwin
8900 Plus

PowrTwin 6900 Plus

Designed and built for contractors who are serious about completing large scale painting projects quickly and profitably. PowrTwin 6900 Plus is ideal for professionals who want the slow-stroking power and long-term durability only Titan hydraulic piston sprayers offer.

PowrTwin 8900 Plus

A step up for projects that require greater power and output, the PowrTwin 8900 Plus is our best-selling hydraulic piston sprayer, favored by contractors who want to complete large application jobs in record time with high profit margins. Finally a portable sprayer that can handle new construction all the way up to protective coatings.

POWRTWIN 6900 PLUS DI

1.25 GPM

Recommended for heavy coatings.

Features:

Submersed Foot Valve

Eliminates all pressure loss.

Slow-stroking Hydraulic Piston

Maximizes fluid section life.

Accurate Pressure Control

From 400 to 3300 psi (27 to 248 bar)

Easy Convertability

Convert to gas or electric power without any tools.

E-Z Swing Frame

Allows for less spillage during paint changes and lower height of unit for easy transportation.

The PowrTwin 6900 Plus DI comes with an RX-Apex Non-filtered Gun, 517 Reversible Tip and 1/4" x 50' Airless Hose.

Direct Immersion Design for Ultra-Heavy Coatings

The choice for serious contractors. Titan's PowrTwin DI Plus models are designed to minimize the distance between the inlet valve and heavy, high solid coatings, enabling more efficient sprayer operation with less strain on the pump.

- ▶ Apply texture, architectural primers and finishes with the same sprayer
- ▶ Sprays ultra-heavy coatings including joint compound, high solid coatings, block filler, elastomerics and intumescent
 - Spray splatter, orange peel and heavy knockdown textures with optional **Splatter Nozzle** (765-360)
- ▶ Siphon ultra-heavy coatings without starving the sprayer
- ▶ Pump cleans out faster, with less water or solvent
- ▶ Better weight distribution, lower center of gravity and large pneumatic tires for ease of transportation

TEXTURE SPRAYER

Titan texture sprayers are great for both interior and exterior finishing projects. Lightweight and easy to transport yet powerful enough to spray most architectural coatings and texture finishes.

Spray Multiple Coatings:

- ▶ Skim Coat
- ▶ Level 5 Finish
- ▶ Drywall Mud
- ▶ Architectural Primers
- ▶ Finish-Quality Paints
- ▶ Ready-Mix or Mix On Site Materials

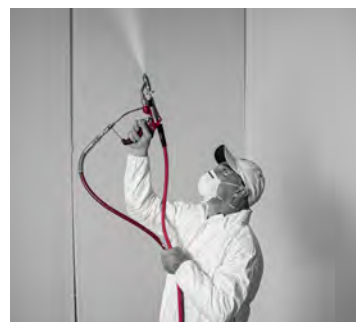

Impact 1040T

The lightest, most affordable airless texture sprayer on the market today, it's designed to run both ready-mix and powdered joint compound products.

Submerged Fluid Section

- ▶ The submerged foot valve creates the most efficient siphoning system on the market today, which handles heavy bodied coatings with ease
- ▶ Built with ceramic balls and carbide seats that are resistant to abrasive coatings

IMPACT 1040T

1.15 GPM

Recommended for applications using up to 2 guns for texture and high build coatings.

Features:

PermaLife Cylinder

Will never wear out

Electronic Pressure Control

Consistent pressure. Zero deadband.

Quad+ Packings

AutoOiler

Telescoping Handle

EZ Tilt™ Cart

- ▶ Allows for quick and easy change out and cleaning

- ▶ Easily tilt back with one hand

DuraLife™ HE Brushless Motor

Optimized for every tip size and every painter's technique.

Hose Wrap

Holds up to 150-feet of airless hose.

Large Pneumatic Tires

▶ The Impact 1040T comes with an RX-Apex Non-filtered Gun, 427 & 531 SC-6+ Reversible Tip, Splatter Nozzle, 3/8" x 50' Airless Hose and 1/4" x 6' whip hose.

FINE FINISH SPRAYERS

There will always be projects where speed trumps transfer efficiency and yet a fine finish is still the ultimate goal. Even the best HVLP sprayer can't compete with the speed of an air-assisted airless unit and for those jobs where production speed is essential, contractors and finishing professionals turn to the power and precision of Titan airless and air-assisted sprayers.

Features:

Airless Production

Atomizes finish coatings with ease. Maintains consistent spray patterns with less mixing and filling.

Versatile

Apply a wide range of coating materials. From the thinnest stains and lacquers to interior and exterior latex primers and paints.

Intelligent Design

Compact, simple and lightweight—these units are easy to use, easy to transport and easy to store.

ED 655 Plus

A compact, lightweight system that's easy to use, easy to transport, and dependable. For fine finish projects and the contractors who tackle them, we designed the Titan ED 655 Plus.

Comes with RX-80 Gun, 412 Fine Finish Tip, 1/4" x 50' Airless Hose and 3/16" x 3' Airless Whip Hose.

MultiFinish™ 440

The MultiFinish 440 offers the versatility of a piston pump to handle the widest variety of finish solutions. It combines quiet operation and air cap pressure for the finest atomization possible. The MultiFinish sprays nearly all fine finish coatings with little to no reduction.

Comes with GM3600 Gun, SC-6+ Reversible Tip, 1/4" x 50' Bonded Fluid and Air Hose, 5' Fluid Whip and 5' Air Whip. Flat tip available for more versatility in fine finish applications.

Accessories:

GM 3600 Pro Gun with Reversible Tip Guard 2404548

Design offers ergonomic comfort and a reversible tip system without sacrificing finish quality. Comes with a standard Titan airless gun filter and works with all standard reversible airless and fine finish tips.

Reversible flat tips are available. AirCap and tips sold separately.

GM 3600 Pro Gun with Flat Tip Guard 2412194

Includes a 9/20 flat tip.

Red/Clear 50-foot Bonded Hose 524333

BATTERY-POWERED

Step up to professional battery power from Titan. When expert results are needed Titan is there with the Impact X™ 120 and FlexSpray® Pro. Both systems utilize AMPShare® by Bosch™ for ultimate power and convenience no matter the job site. One system, multiple tools, it's the battery-powered partnership that delivers for your business every time.

FLEXSPRAY® PRO 18V

0.31 GPM

Doors, trim, cabinets, soffits and touch-up are where it excels.

Features:

Cut The Cord

Lightweight and powerful Bosch battery for fatigue-free operation

JetForce Technology®

Delivers control of a 4-stage HVLP and production of airless 413 Tip

Smart Design

Quick Change System for Front End swaps with a twist

Change from the high production FlexFinish front end to the precise FineFinish front end with a twist

INTRODUCING

Powered by  **BOSCH**

The FlexSpray Pro 18V comes with FlexFinish Front End, FineFinish Front End, (2) 4Ah Batteries, Battery Charger, 4 Cleaning Brushes, 4 Filters, 2 Cup Seals, 2 Nozzle Seals, 2 Paint Filters, Storage Bag

FlexSpray Pro 18V

FlexSpray puts the power of airless and the control of HVLP into one versatile sprayer creating the first multi-tool for painting professionals. FlexSpray's advanced technology was developed for professionals who spray a variety of coatings with multiple applications. Just pull the trigger and your interior, exterior or fine finishing project will finish with ease.

SPECIFICATIONS	
Max Operating Pressure	4.00 psi
Batteries Included	2 – 18v 4Ah Bosch ProCore Batteries 1 – Battery Charger

WEARGUARD CONVENIENCE PROGRAM KEEPS YOU UP AND RUNNING

When you purchase a new Titan sprayer, you're able to take advantage of our exclusive WearGuard Convenience Program. Protect your investment by purchasing a spare fluid section or PermaStroke kit at a discounted rate. Save yourself the time and frustration of an extra trip or waiting for parts to arrive in the event that your sprayer goes down. When you have a backup fluid section or PermaStroke kit on hand, replacement can quickly be made without leaving the jobsite and doesn't require special tools. The bottom line is that WearGuard keeps you up and running.

Not interested in purchasing a spare fluid section? We also offer the option of a free packing kit on select sprayers.

For more information on pricing and how to order, go to:

www.titanwearguard.com or scan the QR code.

KEEP TITAN WITH YOU WHEREVER YOU GO

MyTitan™ gives you immediate access to all things Titan. Anywhere, anytime on your computer or mobile device. MyTitan gives you everything you need to get the most out of your sprayers, all in one place, no matter where the workday takes you. MyTitan is designed to make your life easier, your business more efficient, and your day more productive—so you can stay ahead of the game, do more in less time, and never lose track of another detail.
