WEAR GUARD WARRANTY

THE BEST AND LONGEST WARRANTY IN THE INDUSTRY

4-Year Manufacturer’s Defect
We pledge that our sprayers are free from defects in materials and workmanship. This excludes normal wear items and consumables such as filters, piston, packings, tips, etc.

Lifetime DuraLife Brushless HE and PMDC Brushless Motor Warranty
If the motor fails for any reason (including wear) for as long as you own the sprayer, we will replace the motor at no cost to you.

Limited Lifetime DCX Motor Warranty
If the motor fails from normal usage for as long as you own the sprayer, we will replace the motor at no cost to you.

Gas Engine Warranty
3-year Honda® and 2-years all others.

2-Year Turbine Warranty

Lifetime Drive Train Warranty
If the drive train fails from normal usage for as long as you own the sprayer, we will replace the drive train at no cost to you.

Lifetime Warranty on PermaStroke™ Technology Fluid Pump
Get a lifetime warranty on the PermaStroke Technology fluid pump. If the fluid pump fails for any reason (including wear) for as long as you own the sprayer, we will replace the fluid pump at no cost.

35-Day Satisfaction Guarantee
If for any reason the sprayer does not perform up to your expectations within 35 days, the sprayer can be exchanged for the identical model or full credit towards the purchase of a Titan sprayer of larger size and value.

Express Parts Program
- Over 650 Authorized Service Centers nationwide
- The most common repair parts are guaranteed to be in stock 100% of the time
- If for any reason your preferred Authorized Service Center is out of stock, free 2nd day air is available when ordered by 3:00 pm (EST)

SEE BACK PAGE FOR OUR PLATINUM AND ELITE PROGRAMS.
IMPACT® SERIES
Titan airless paint sprayers that offer the innovation and dependability a contractor needs to perform tough jobs.

POWRBEAST™ SERIES
Power meets durability with the PowrBeast heavy duty gas powered direct immersion sprayer.

POWRTWIN® SERIES
Sprayers with a well-earned reputation for durability and dependability for serious contractors.

FINE FINISH SPRAYERS
Renowned in the industry for delivering beautiful finishes quickly, easily and dependably—every time.

SPRAYER SPECS
Compare Titan's electric airless offering and make sure you get the perfect pump for you and your jobs.

OUR MISSION
When your business depends on the tools you use, you need to be able to count on the people who make them.
Our relentless commitment to helping every professional painter be their best leads to better work, improved ROI and growing business.
IMPACT® SERIES

These high-performance and heavy-duty electric airless paint sprayers are designed for sustained operation on a wide variety of projects, from a single room in a house to a warehouse or manufacturing facility. The Impact Series electric airless sprayers are durable with jobsite features that keep contractors spraying.
MAXIMIZE YOUR INVESTMENT WITH THE IMPACT SERIES.

Business is demanding and you need the kind of performance you get from Titan sprayers. It’s time to invest in the expanded features and performance that will make a major IMPACT on your profit margin.

Quad+ Packings™ / Permalife™ Cylinder
No wearable cylinder and self-adjusting/self compensating packings deliver the longest life and lowest repair costs in the industry.

Sureflo™ Pusher Valve
Primes the first time, every time. Unstick the lower ball valve with a push of a button. No need for a hammer.

Field Serviceable
Whether you are replacing the entire fluid section or the packings only, it’s fast and easy with the T-slot piston and modular design.

AutoOiler™
Deliver oil from the reservoir to the packings with the push of a button.

DigiTrac™ Integrated Digital Display
Advanced diagnostics, set actual working pressure readings, resettable gallon and run time counter and more.
Available on Impact models 640, 840 and 1040.

EasyOut™ Fluid Section
T-slot piston and release mechanism makes removal fast and easy.
Available on the Impact 1140 only.
IMPACT®
400

0.47 GPM

Recommended for small and medium residential and commercial projects.

Features:

Quad+ Packings
Heavy-Duty Stand
Rugged, larger tubing.
Heavy-Duty, Die Cast Aluminum Housing
Vertical Manifold Filter
Vertical orientation improves access

Additional Accessories

1.25 Gallon Hopper  704-453
Ideally suited to handle small amounts of paints and lacquers. Easy to clean and makes quick color changes possible.
(For use with Impact 400 and 440)

Sureflo™ Pusher Valve
0532924 (Skid), 0532925 (High Rider)

Filter Plug  0532357
Ability to remove pump filter for heavier coatings.

Impact 400

When it comes to getting powerful performance at an affordable price, nothing comes close to the Impact 400. Perfectly suited for residential, property maintenance and small commercial applications, the Impact 400 applies all lacquers, stains, standard primers, paints and architectural coatings with ease.

Impact 640
The Impact 640 continues the climb to increased performance. This mid-range unit is perfect for residential, property maintenance, rental, and light commercial applications and is equipped with digital technology for improved efficiency.

Digitrac™ Integrated Digital Display
Includes anti-theft lock to protect your investment.
- Advanced diagnostics
- Set pressure and actual working pressure readings
- Resettable gallon and run time counter
- Programmable service time (hour meter)

Features:

DigiTrac™ Integrated Digital Display
(See inset below).

DuraLife™ Brushless HE Motor
Optimized for every tip size and every painter’s technique.

Quad+ Packings

Sureflo™ Pusher Valve

Electronic Pressure Control with Rapid Clean
Faster flushing and clean-up.

No Wearable Cylinder

Full-Sized Manifold Filter
Filter handles more paint, preventing abrasives from reaching the gun tip.

AutoOiler™

Extra Deep Holster
(Skid model only)

Impact® 640
Low Rider

The Impact 640 comes with RX-Pro Gun, 517 TR Reversible Tip and 1/4” x 50’ Airless Hose.
Impact 740

The Impact 740 is designed for extended, heavy-duty performance on larger residential and commercial projects. This is the sprayer contractors turn to when the time comes to enter the big leagues.

Features:

**DuraLife™ Brushless HE Motor**
Optimized for every tip size and every painter’s technique.

**Electronic Pressure Control**
Consistent pressure. Zero deadband.

**Quad+ Packings**

**AutoOiler™**

**Fast Removable Fluid Section**
T-slot piston and coarse thread make removal fast.

**Telescoping Handle**

**Easy-Load Cart**
Clean back loads in and out of vehicles easily. (Available on high rider model only)

**Hose Wrap**
Holds up to 150-feet of airless hose.

Both the Impact 740 and 840 come with RX-Pro Gun, 517 TR® Reversible Tip and 1/4” x 50’ Airless Hose.

POWRBEAST™ SERIES

Since their introduction, PowrBeast direct immersion hydraulic piston sprayers have been the choice for serious contractors for large scale residential, commercial and industrial applications.

- **HydraStroke Technology™**
  - Unmatched durability and performance powered by digitally driven hydraulics
  - Versatility to spray heavy and light bodied coatings without worry of burning out clutches
  - System is optimized with one moving part reducing heat and extending life

- **Severe Service™ Fluid Section**
  - Long and slow stroking piston maximizes power and durability
  - Proven Titan technology with 35 years in the field
  - Field serviceable with easy to remove/replace fluid section

- **Intelligent Design**
  - Extremely efficient cooling system
    - Fan and shroud maximize cool air flow over warm areas
    - Radiator style active cooling hydraulic tank
  - Large 12” pneumatic tires make it easy to move around job site
  - Simplified pump assembly for easier service

Powered by HONDA
PowerBeast 4700/4700T

The PowerBeast direct immersion electric airless sprayer provides unmatched durability and performance. The PowerBeast offers the innovative HydraStroke Technology™ with only one moving part, the Severe Service™ fluid section that has a long slow stroking piston all powered by a best in class Honda engine.

**Features:**

**HydraStroke Technology™**
Efficient and versatile with no clutch to burn

**Severe Service™ Fluid Section**
Powerful slow-stroking piston

**Radiator Style Hydraulic Reservoir**
Maximizes airflow to actively cool the system

**Submersed Foot Valve**
Maximizes suction for heavy graded materials (4700T)

**Front Mounted Motor/Pump Assembly**
Easy to access for maintenence and service

**Cooling Shroud**
Directs air movement across the electric motor keeping it cooler

**Large 12” Pneumatic Tires**
For increased portability and travel over rough surfaces

**Built-In Lift Handles**
For easy loading and unloading

**5 Gallon Bucket Holder**

**Recommended for large jobs where multiple guns are needed.**

The PowerBeast 4700T comes complete with M-4 Mastic Gun, SC-6+ 427 & 531 tip, Splatter Nozzle, 3/8” x 50’ Hose.

The PowerBeast 4700 comes complete with RX-Pro Gun, 517 TR® Reversible Tip and 1/4” x 50’ Airless Hose.
POWRTWIN™ SERIES

Since their introduction almost half a century ago, Titan PowrTwin hydraulic piston sprayers have a well-earned reputation for durability and dependability among serious contractors for large scale residential, commercial and industrial applications and multi-gun usage.
THE SPRAYERS OF CHOICE FOR SERIOUS CONTRACTORS WITH LARGE-SCALE JOBS.

These high-performance, heavy-duty paint sprayers use long-stroke, slow-cycling hydraulic piston technology for economical operation and dependable, long-term spraying.

Gas Convertibility
Easily convert from Electric to Gas power. No tools required.

Belt Guard
Easy access for converting from electric to gas power.

Speeflo® HydraDrive™
Smooth, slow-stroking hydraulic drive provides extreme power and reliability.

Severe Service™ 900 Pump
Cylinder and piston rod are tempered with a proprietary heat-treating process that increases pump life 150% over competitive pumps. Self-adjusting packings resist over-tightening and help prevent premature wear.
POWRTWIN®
6900/8900 PLUS

1.25 GPM

Recommended for heavy coatings.

Features:

Slow and Long Stroking Hydraulic Piston
Maximizes fluid section life.

Accutrol™ Pressure Control
From 400 to 3300 PSI

Speeflo® HydraDrive™

Severe Service™ 900 Pump

Easy-Remove Filter
Only 3 turns to remove.

Easy-Access Belt Guard
For converting from gas to electric.

Convenient Pail Hook

PowrTwin 6900 Plus

Designed and built for contractors who are serious about completing large scale painting projects quickly and profitably. PowrTwin 6900 Plus is ideal for professionals who want the slow-stroking power and long-term durability only Titan hydraulic piston sprayers offer.

PowrTwin 8900 Plus

A step up for projects that require greater power and output, the PowrTwin 8900 Plus is our best-selling hydraulic piston sprayer, favored by contractors who want to complete large application jobs in record time with high profit margins. Finally a portable sprayer that can handle new construction all the way up to protective coatings.

PowrTwin 6900 Plus
3” Stroke

PowrTwin 8900 Plus
4” Stroke

The 8900 Plus comes with S-5 Gun, 517 TR Reversible Tip and 1/4” x 50’ Airless Hose.
Direct Immersion Design for Ultra-Heavy Coatings

The choice for serious contractors. Titan’s PowrTwin DI Plus models are designed to minimize the distance between the inlet valve and heavy, high solid coatings, enabling more efficient sprayer operation with less strain on the pump.

- Apply texture, architectural primers and finishes with the same sprayer
- Sprays ultra-heavy coatings including joint compound, high solid coatings, block filler, elastomeric and intumescents
- Spray splatter, orange peel and heavy knockdown textures with optional Splatter Nozzle (765-360)
- Siphon ultra-heavy coatings without starving the sprayer
- Pump cleans out faster, with less water or solvent
- Better weight distribution, lower center of gravity and large pneumatic tires for ease of transportation

The PowrTwin 6900 Plus and 6900 Plus DI come with S-3 Gun, 517 TR1 Reversible Tip and 1/4” x 50’ Airless Hose.

**Features:**

**Submersed Foot Valve**
Eliminates all pressure loss.

**Slow-Stroking Hydraulic Piston**
Maximizes fluid section life.

**Accurate Pressure**
From 400 to 3300 PSI

**Easy Convertability**
Convert to gas or electric power without any tools.

**E-Z Swing Frame**
Allows for less spillage during paint changes and lower height of unit for easy transportation.
FINE FINISH SPRAYERS

There will always be projects where speed trumps transfer efficiency and yet a fine finish is still the ultimate goal. Even the best HVLP sprayer can’t compete with the speed of an air-assisted airless unit and for those jobs where production speed is essential, contractors and finishing professionals turn to the power and precision of Titan airless and air-assisted sprayers.

Features:

**Airless Power**
Atomizes the heaviest coatings without thinning. Maintains perfect spray patterns with no spitting or spattering.

**Versatile**
Apply a wide range of coating materials. From the thinnest stains and lacquers to interior and exterior latex primers and paints.

**Intelligent Design**
Compact, simple and lightweight—these units are easy to use, easy to transport and easy to store.

**AirCoat™**
Two systems in one! Uses low airless fluid pressure in the air-assisted mode to deliver ultra fine atomization with higher transfer efficiency. The airless mode uses high pressure to spray interior and exterior paints. Atomize all fine finish coatings at lower pressure for great control.

Also includes suction set for pumping directly from 5 gallon bucket.

Comes with GM3800 Gun with Flat Tip Assembly and 9/20 Brilliant Tip, 1/4’ x 50’ Bonded Fluid and Air Hose, 5’ Fluid Whip and 5’ Air Whip.

**ED 655 Plus**
The ED 655 Plus is a compact, lightweight, dedicated finishing system that’s easy to use, easy to transport and, most importantly, dependable. For those projects and the contractors who tackle them, we designed the Titan ED 655 Plus.

Comes with RX-80 Gun, 412 Fine Finish Tip, 1/4’ x 50’ Airless Hose and 3/16’ x 3’ Airless Whip Hose.
**MultiFinish™ 440**

The MultiFinish 440 is the highest performing Air Assisted unit available. It combines quiet operation and air cap pressure for the finest atomization possible. The MultiFinish sprays nearly all coatings with little to no reduction.

Comes with GM3600 Gun, SC-6+ Reversible Tip, 1/4” x 50’ Bonded Fluid and Air Hose, 5’ Fluid Whip and 5’ Air Whip.

### PLATINUM FIELD SERVICEABLE FLUID SECTION

When you purchase a new Titan sprayer, be sure to take advantage of our exclusive WearGuard Platinum or Elite Program where you can save big on a spare fluid section or PermaStroke kit.

Save yourself the time and frustration of making an extra trip and waiting for parts to arrive. The replacement is quick and easy, requiring no special tools.
