SPRAYING **REDEFINED**

THE BEST AND LONGEST WARRANTY IN THE INDUSTRY

Four-Year Manufacturer's Defect

We pledge that our sprayers are free from defects in materials and workmanship. This excludes normal wear items and consumables such as filters, piston, packings, spray tips, spray guns, hoses, etc.

Lifetime DuraLife HE and PMDC Motor Warranty

If the motor fails for any reason (including wear) for as long as you own the sprayer, we will replace the motor at no cost to you.

Limited Lifetime DCX Motor Warranty

If the motor fails from normal usage for as long as you own the sprayer, we will replace the motor at no cost to you.

Lifetime Drive Train Warranty

If the drive train fails from normal usage for as long as you own the sprayer, we will replace the drive train at no cost to you.

Lifetime Warranty on PermaStroke Technology™ Fluid Pump

Get a lifetime warranty on the PermaStroke Technology fluid pump. If the fluid pump fails for any reason (including wear) for as long as you own the sprayer, we will replace the fluid pump at no cost.

Two-Year Turbine Warranty

Gas Engine Warranty

Three-year Honda® and two-years all others.

AMPSHare by Bosch® Warranty

Three-year limited warranty on batteries and five-year limited warranty on battery chargers.

Honda eGX System Warranty

Three-year limited warranty on their eGX motors, and two-year limited warranty eGX batteries and eGX chargers.

35-Day Satisfaction Guarantee

If for any reason the sprayer does not perform up to your expectations within 35 days, the sprayer can be exchanged for the identical model or full credit toward the purchase of a Titan sprayer of larger size and value.

Express Parts Program

- More than 550 Authorized Service Centers nationwide
- The most common repair parts are guaranteed to be in stock 100% of the time
- If for any reason your preferred Authorized Service Center is out of stock, free 2nd day air is available when ordered by 3:00 pm (EST)

TITAN®

GAS AND CONVERTIBLE AIRLESS

04 ELITE® SERIES

Perfect for the contractor who is looking for a lightweight, portable sprayer for small- to medium-sized jobs.

10 POWRBEAST® SERIES

Heavy-duty direct immersion sprayers capable of spraying heavy to light bodied coatings.

06 POWRTWIN™ SERIES

For large-scale residential, commercial and industrial applications.

12 HYDRA X™ SERIES

The ultimate sprayers for any job where maximum power is required.

09 POWRTWIN DI SERIES

The most powerful portable sprayers on the market today.

14 SPRAYER SPECS

Compare Titan's Gas and Convertible Airless pumps and make sure you get the perfect sprayer for whatever your needs.

OUR MISSION

When your business depends on the tools you use,
you need to be able to count on the people who make them.

Our relentless commitment to helping every coating professional
be their best leads to better work, improved ROI and growing business.

ELITE® SERIES

Titan Elite sealed hydraulic paint sprayers help you produce the highest quality results no matter what the jobsite conditions are. Featuring the revolutionary PermaStroke Technology™, which has no pistons, packings, cylinders or clutch to replace and backed by the WearGuard® Elite Lifetime Fluid Pump Warranty, they are simple to operate and field serviceable, keeping contractors on the job.

PermaStroke Technology™

No piston, packings or cylinders to wear out

- One piece inlet & outlet valves
- 100% field serviceable
- Cartridge style valves make repair simple, fast and inexpensive
 - Elite 3500 Valve Kit (537903)

Sealed Hydraulic System

- Has no electronics and no clutch to burn out
- Easy priming guaranteed every time through the Sureflo™ Pusher valve
- Delivers top performance using small or large tip sizes at pressures from 300 to 3300 psi

Flatline Pulsation Dampener™

- Eliminates all pressure fluctuations and deadband in the system
- Provides smooth operation and a consistent finish
- Keep your jobsite clean with Titan's no-spill vertical pump filter that holds coatings in the housing when removed

POWERED by
HONDA

ELITE

3500/3500 72V/5500

0.75 / 1.25 gpm

Recommended for up to 200 gallons per week.

Features:

PermaStroke Technology

No piston, packings or cylinder to wear out

- One piece inlet & outlet valves
- 100% field serviceable

Sealed Hydraulic System

No electronics and no clutch to burn out

FlatLine Pulsation Dampener

- Eliminates all pressure fluctuations and deadband in the system
- Provides smooth operation and a consistent finish

Sureflo Pusher Valve

Makes system priming easy

No-Spill Pump Filter

Vertical design retains coating during removal

Large 12" Pneumatic Tires

Smoother travel over rough surfaces

Built-In Lift Handles

Easier loading and unloading for transport

Telescoping Handle With Hose Wrap

Extends for comfortable job site usage and retracts for transport

Two Tip Holders

Keeps extra tips nearby

POWRTWIN™ SERIES

Since their introduction almost half a century ago, Titan PowrTwin hydraulic piston sprayers have a well-earned reputation for durability and dependability among serious contractors for large scale residential, commercial and industrial applications and multi-gun usage.

Convertible

Easy, tool-free convertibility for projects where gas engines are not permitted.

2 hp Electric Converto Kit sold separately.

Belt Guard

Pivotable housing provides easy access for belt replacement and power source conversion.

POWERED by
HONDA

Speeflo® HydraDrive™

Smooth, slow-stroking hydraulic drive provides extreme power and reliability.

Severe Service™ 900 Pump

Cylinder and piston rod are tempered with a proprietary heat-treating process that increases pump life 150% over competitive pumps. Self-adjusting packings prevent over-tightening and help prevent premature wear.

POWRTWIN 4900/6900 PLUS

1.50 / 2.25 gpm

Recommended for up to
400 gallons per week.

Features:

Accurate Pressure Control

- ▀ Ranges from 400 to 3300 psi
- ▀ Spray low viscosity primers to heavy-bodied finish paints

Vented Hydraulic Fill and Dip Stick

Easy access for less mess

Easy-Remove Filter

Only 3 turns to remove

Wrap Around Frame

For extra strength and stability

High Efficiency Cooling Fan

Keeps the hydraulics cooler for longer life

Heavy-Duty Frame

Durable cart with telescoping handle and convenient lift handles

Honda GX160 Engine

Dependable, gas-powered engine with low-oil alert

Convenient Pail Hook

POWRTWIN DI SERIES

With its efficient siphon system, the PowrTwin DI (direct immersion) units include a submersed foot valve capable of spraying very heavy coatings. In addition, its EZ swing frame makes this the most convenient gas hydraulic system on the market today.

Features:

Direct Immersion

Submersed foot valve siphons heavy viscosity coatings

Power Multiple Spray Guns

With an industry leading 3.15 gpm, the 12000 Plus DI supports up to 6 spray guns

Easy to Convert

Tool-free ability to quickly swap between a gas engine and an electric motor

Belt Guard

Pivotal housing provides easy access for belt replacement and power source conversion

EZ Swing Frame

Minimizes spillage during paint changes and facilitates convenient transportation

POWERED by
HONDA™

PowrTwin 6900 Plus DI

Configured with a submersible foot valve designed for very heavy materials, including drywall mud.

■ PowrTwin 6900 Plus DI Electric

PowrTwin 12000 Plus DI

The flagship of the line and is recommended for very large scale projects where up to 6 guns may be needed, or application of very heavy coatings. The most portable roofing sprayer ever.

POWRBEAST® SERIES

Since their introduction, PowrBeast direct immersion hydraulic piston sprayers have been the choice for serious contractors for large scale residential, commercial and industrial applications.

HydraStroke® Technology

- Unmatched durability and performance powered by electronically-controlled hydraulics
- Unlike clutch units that small tips can damage, PowrBeast units have the versatility to spray heavy and light bodied coatings with ease
- Hydraulic motor is optimized with one moving part, reducing heat and extending life

Severe Service™ Fluid Section

- Long and slow stroking piston maximizes power and durability
- Proven Titan technology with 35 years in the field
- Field serviceable with easy to remove/replace fluid section

Smart Design

- Extremely efficient cooling system
- Move your sprayer wherever its needed with large 12" pneumatic tires for increased portability and travel over rough surfaces
- Simplified pump assembly for easier service

POWERED by
HONDA™

POWRBEAST 9700

3.00 gpm

Recommended for up to
500 gallons per week.

Features:

HydraStroke Technology

Efficient and versatile with no clutch to burn

Severe Service Fluid Section

Slow-stroking piston maximizes power and efficiency, extending pump life

Efficient Cooling System

Airflow maximized to actively cool the system

Submersed Foot Valve

Maximizes suction for heavy viscosity materials

Front Mounted Motor/Pump Assembly

Easy to access for maintenance and service

Large 12" Pneumatic Tires

Smoother travel over rough surfaces

Built-In Lift Handles

For easy loading and unloading

Convenient Pail Hook

HYDRA X™ SERIES

The Hydra X Series delivers when jobs call for the toughest coatings. The Direct Immersion System eliminates the need for transfer pumps, flexible siphon tubes, and air compressors, maximizing efficiency. The AutoLift™ system raises and lowers the fluid section with the push of a button so contractors can spend less time setting up and more time spraying.

HydraStroke™ Technology

- Unmatched durability and performance powered by electronically-controlled hydraulics
- Unlike clutch units that small tips can damage, Hydra X units have the versatility to spray heavy and light bodied coatings with ease
- Hydraulic motor is optimized with one moving part, reducing heat and extending life

Severe Service™ Fluid Section

- 5" long, slow stroking piston maximizes power and efficiency to extend the pump life
- Uses a Tri-chrome process to create the industry's most durable fluid section with packings designed specifically for aggressive coatings
- Proven Titan self-adjusting packing technology with over 45 years in the field extends time between repacks
- Patent-pending quick removal fluid section allows one person to service on the jobsite with ease

Smart Design

- Effortless drum changes with the electric AutoLift™ system that raises and lowers the fluid section with the touch of a button
- One sprayer with modular fluid sections allowing for two different performances out of one sprayer
- Large 12" pneumatic tires make it easy to move around job site

POWERED by
HONDA™

HYDRA X 4540/7230

4.00 / 3.00 gpm

Recommended for up to
500+ gallons per week.

Features:

HydraStroke Technology

WEARGUARD CONVENIENCE PROGRAM KEEPS YOU UP AND RUNNING

When you purchase a new Titan sprayer, you're able to take advantage of our exclusive WearGuard Convenience Program. Protect your investment by purchasing a spare fluid section or PermaStroke kit at a discounted rate. Save yourself the time and frustration of an extra trip or waiting for parts to arrive in the event that your sprayer goes down. When you have a backup fluid section or PermaStroke kit on hand, replacement can quickly be made without leaving the jobsite and doesn't require special tools. The bottom line is that WearGuard keeps you up and running.

Not interested in purchasing a spare fluid section? We also offer the option of a free packing kit on select sprayers.
