Storage Bag	2454311

TITAN'S QUICK-CHANGE SYSTEM

Makes it simple to get started, change coatings or colors on the fly and cleanup when your project is done.

FlexFinish® Pro Front End P/N 2458829

Optimized for higher production on larger surfaces using architectural coatings

PRO-TIP: Have a front end for each application. Swap out nozzles on the fly to finish jobs quicker.

FineFinish™ Pro Front End P/N 2458828

Optimized for fine finish applications with a round pattern for small surfaces

PRO-TIP: Have a front end for each material. Store the material in the cup when done.
